

2010

HOUSEHOLD SPECIAL WASTE COLLECTION PROGRAM

Some household materials can lead to contamination of groundwater, well water, or other water sources when spilled on the ground, poured down the drain, or placed in trash containers. To prevent this, collected materials will be properly recycled or safely treated in a licensed hazardous waste incinerator. This is your opportunity to safely and properly dispose of most special waste you may have in your home, including...

Pennzoil will collect for a small fee:

- Transmission fluid
- Oil filters
- Antifreeze

Automotive Products

- Spray paints
- Auto polishes and waxes
- Battery acid
- Motor oil

Cleaning Products

- Drain cleaners
- Floor waxes
- Furniture polish
- Bleach and ammonia products
- Oven cleaners
- Solvents and degreasers

Paint Products

- Paint thinner
- Oil-based paints
- Brush cleaners
- Paint strippers
- Spray cans
- Lacquers and varnishes

Personal and Health Care Products

- Hair sprays
- Dyes
- Shoe polish
- Aerosols
- Nail polishes and removers
- Outdated or unused medications

Garden Products
