- Avoid congregating in groups around houses.
- Wear a face mask covering both mouth and nose.
  - A costume mask (such as for Halloween) is not a substitute for a cloth mask.
  - Do not wear a costume mask over a protective cloth mask if wearing both causes difficulty breathing. Instead, consider using a Halloween-themed cloth mask.
- Only go to houses with safety measures in place.
- Check out halloween2020.org to find exciting activities and ways to celebrate Halloween this year based on levels of COVID risks in your area.

The CDC also urges Michiganders to consider hosting virtual parties instead of in-person Halloween gatherings. If a gathering is hosted, it must follow the Governor’s latest executive order, social distancing should be maintained, cloth masks should be worn and food and party favors should be set out individually to prevent cross contamination.

Information around this outbreak is changing rapidly. For the most up-to-date information, visit saginawpublichealth.org, Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

**Tips for Homeowners**

- Use duct tape to mark six-foot lines in front of home and leading to driveway/front door.
- Position a disinfected distribution table between you and trick-or-treaters and do not allow children to reach into containers to get their candy/treats.
- Consider handing out candy in an open space with one-way traffic flow or grab and go stations of individually prepared goodies.
- Wash your hands with soap and water before preparing any “treats” to be distributed. This includes prepackaged candy, goodie bags, or other items given away.
- Wear a mask during all candy distribution
